A CROSS BABY.—Nothing is so conducive to a man's remaining a bachelor as stopping for one night at the house of a married friend and being kept awake for five or six hours by the crying of a cross baby. All cross and crying babies need only Hop Bitters to make them well and smiling. Young man, remember this.—Ad.

J. C. Klug, Esq., of the Pilot Knob Drug Store, desires us to inform the public that he has engaged the services of a first-class jeweler and watchmaker. Those who have watches or clocks that need repairing will do well to try him, as he guarantees all his work. He has worked in one of the first establishments of St. Louis, and is thorough master of his trade.

NEW DEPARTURE AT BONANZA!—For the benefit of the public the manager of the Bonanza will make arrangements with the Sub-Treasury at St. Louis to supply them with one and two-cent pieces, so they can make the exact change, and not compel their patrons to buy more than they are in need of. They intend to open a 1-cent, a 2-cent, a 3-cent, a 4-cent and a 5-cent counter.

The little friends of Miss Retta Myers tendered her a Surprise Party upon Friday evening, at the residence of her parents. The young people entered into the spirit of the occasion with a zest and pleasure characteristic of the care-free years of youth and childhood. Games were indulged in until about 10 o'clock, when refreshments were served, to which all did ample justice. There were about twenty participants.

GEO. LEIS, Secretary Leis Chemical Manufacturing Co.—Dear Sir: I take pleasure in testifying to the remarkable effect produced by your Dandelion Tonic, not only on myself, but upon several parties working for me. One, John Daniels, was very low with fever and indigestion. I furnished him with several bottles of your Tonic, and it entirely cured him. He swears by it, and thinks there is no substitute for it.  
B. D. PALMER, Clerk District Court.

The drop-curtain and scenery for the Academy of Music were received last week. They were painted by Ernest Albert, scenic artist at Pope's Theatre, St. Louis, and are no disparagement to him as an artist of first-class ability. They have been seen by hundreds of our citizens, and all agree that the curtain and street scene are "perfectly splendid." In the course of two weeks, or so, the amateurs of the Valley will give a couple of entertainments, and we promise all who may witness them a treat, "rich, rare and racy."

Venner's predicted cold snap came down on us Monday night, after a three-day's down-pouring of rain, the like of which the Valley has not received for many a day. A three mile land slide at Cliff Cave has isolated this section from the outside world since Sunday, and the first train through will probably come down to-day. From every direction we hear of overflowing streams and damages done to farms, roads, fences, bridges, etc. The cold snap came in with a tremendous gale from the northwest, and Tuesday morning the ground was frozen solid. The earlier vegetation was ruined, and the chances for small fruits are bad. Apples and peaches have probably not suffered, except in a few cases where the variety is very early, or the trees occupy favorable positions for the influence of the unseasonably warm weather of the two weeks previous.

HUMBUG ADVERTISEMENTS.—The time never has been and never will be when the people of this or any other country can buy a dollar for seventy-five cents. Neither can you, dear reader, purchase an organ worth three or four hundred dollars for \$50. This is all nonsense. Still we have no objection to other people doing their business just as they see fit. We are selling a good, honest made piano at \$125 to \$475, and a good, honest organ (not all stop) from \$45 to \$475. All our goods are made upon honor, and we send to any part of the world on test trial, and if no pleasure or keener, as the Chinese would say. For the past ten years we have sent both pianos and organs to every part of the world, and our instruments give the most universal satisfaction. If you want a good instrument, one that will always last you, and be pleased to send you our catalogue and price; and if you purchase one of the Thomas Brothers' Silver Tone Instruments you will get what you require, and one instrument sold in a neighborhood always sells us more. Address, for prices, etc., JAS. H. THOMAS, successor to Thomas Brothers, Cathlamet, N. Y., U. S. A.

PERSONALS.—Mr. Chas. H. Collins, of Des Arc, was in town last week.  
Mr. Frank Schulte, of Fredericktown, was in Ironton last Friday attending to business.  
Miss Emma Peck left Sunday morning for St. Louis. She will be absent about a month.  
Mrs. A. H. Miller and her little daughter, Hattie, of Fredericktown, were in Ironton last.  
Mr. DeWitt Harvey, of De Soto, has been spending several days in the Valley.  
Mr. Jno. H. Delano spent Saturday and Sunday home with the folks.  
Mr. J. W. Pickson was in town last Friday.  
Miss Celine Garnier left on Sunday for Piedmont, which place she expects to make her home, at least for the present.  
Dr. Lutes, of St. Louis, is stopping in the Valley at present.

THE FESTIVAL AT PILOT KNOB.—For the benefit of the Catholic Church at that place, Monday night, was as pleasant an affair as we ever participated in. While mirth and enjoyment ruled at every minute, not an unpleasant word was spoken, nor a rude or angry feeling experienced by any of the scores who were there. Dancing was indulged in by those who love to trip to enlightening music, from 7:30 to 2 o'clock the succeeding A. M. The supper was—well, it couldn't be improved; and, as for the fair waiters, they were, to use an Oscar Wildeism, too utterly too. Their smiling faces, their deftness, their intent to please, and their success in that intent—the witnesses we could produce on the affirmative, their name is legion. Father Wernert was everywhere at all times, and wherever he was were order, regularity and good feeling. We bear witness to his executive ability. Capt. Zwart played no insignificant part in the proceedings as the exchequer shows. He was auctioneer, and drummer up of votes for the beautiful artificial (wax) fountain, which was voted to Miss Cora Craine in a poll of 369 votes. Our space is limited, and a column would not give room enough to tell all and do everybody justice. Suffice it, therefore, to say that the Festival Soliree was a success in every particular—financially and socially. The proceeds were over two hundred dollars.

A MINT IN IRONTON.—Last Saturday night, about 10 o'clock, Morgan Mace, Deputy U. S. Marshal, arrested Stephen C. Wright on a warrant charging him with counterfeiting silver coin. The descent was made upon the defendant in the building lately occupied by St. Vaughn as a barber shop, but which had been vacated by him a week before for a more commodious room across the street. Wright was in *fragrant delicto*—the molds set and heated ready for the molten metal which was to form the token of value denominated "four bits," "half-a-dollar," or "fifty cents," according to the taste of the designator. He was taken to jail and therein lodged, despite his protestation that he was an honest man, and made his money by hard work. His own language was more earnest: "By G—d, I'm as honest a man as Morgan Mace, Old Zwart, or any other G—d—d man, and I can lick the d—n man who disputes it!" The preliminary examination will take place before Commissioner Zwart Thursday morning, and our reporter will be on hand to take down the evidence, if not in full, at least such portions as are of weight in the case. We understand that the authorities have been on a still hunt for a couple of months, and that St. Vaughn played a prominent part in bringing the affair to a successful termination. With these hints we desist until after the examination.

## Teachers' Meeting.

The fourth session of the Arcadia Valley Teachers' Association will be held at the Public School building in Pilot Knob, on Saturday and Sunday evening, March 4th. A programme of exercises for both the day and the night session has been prepared and will be published next week. The teachers of the county are urged to attend and to assist in maintaining the interest that has already been awakened.

It is desired that all friends of education at Pilot Knob, and the public generally, will be present.  
By order of the Executive Committee.  
F. C. MILLER, Secretary.

PILOT KNOB, Feb. 21st.

BRAINARD'S MUSICAL WORLD.—The February number of this favorite musical journal is out and on our table, and is one of the most valuable and attractive numbers of this popular monthly we have ever seen. The Musical World is the oldest and most successful musical magazine in the country. Each number seems an improvement on the last and certainly no musical person can afford to lose the feast of new music and valuable musical information each issue brings its subscribers. The February number consists of forty-four pages—twenty of which are music. The nine pieces of music in this number would alone cost in usual sheet form about \$2.50. The music consists of the following: "My Rose from Angel Mother's Grave," new song and chorus; "Golden Days," ballad; "The Story by the Stream," ballad; "Heel and Toe Polka," "One Little Word," for piano; "Storm Gallopade," piano duet, and three beautiful hymn tunes all, new and by the best composers. Send \$1.50 for this number, or \$1.50 for a year's subscription to the publishers, S. Brainard's Sons, 136 State street, Chicago, who will also mail their catalogue of over 20,000 musical publications free to any one writing for it.

The Light-Running Domestic is acknowledged to be the best Sewing Machine in the world. Buy one for your family for a present, and you will never regret it. The machine is beautiful, ornamental and durable. The attachments are all finely finished and heavy plated.  
H. Davis, Agent.

DIED.—At Hogan Mountain, Mo., on Saturday morning, Feb. 11th, 1882, little Cecily, only son of James and Sarah J. Quinn, aged three years and six months.  
His sufferings were great, and hard to bear; And in his father's arms he lay, Until the Angel of the Lord came in, When little Cecily went away.  
We laid his body in the tomb, While friends stood weeping round. That present body will rise again When the last trumpet shall sound.  
Dear parents, do not weep; But rather sing and pray, And be prepared to meet Cecily At the resurrection day.  
So, dear little Cecily, you're gone; Your face we'll see no more, Until we meet beyond the river— Upon the Golden Shore.  
J. N. S.

DIED.—At Des Arc, Iron county, Mo., on the 12th day of February, 1882, Mr. JEFF. WADLOW, aged about 23 years.  
He was his mother's only son, as well as everybody else's true friend. A lovely young man, he but brief thy stay; Short and busy was the day Ending soon thy journey here— Pain and grief no more to bear. Hard it is for thee part— How it rends the cooling heart Of his poor mother.  
But when he has to glory gone, Let the will of God be done. Sweetly sleeping, and softly rest— Soon the morning will restore The buried man we now deplore.
